The Green Dish is a great restaurant next to the museum. It's a vegetarian restaurant, so there aren't any meat dishes. There isn't any chicken and there aren't any hamburgers. But they've got super pizzas and some really special pasta. There is always fresh brown bread and green tea on the tables. There are six salads and interesting juices from different types of fruit.

For a sweet end to your meal, there are cakes, biscuits and ice cream. Everything is delicious!
